**MESSAGE FROM THE SENIOR VICE PRESIDENT FOR ADMINISTRATION &  
FINANCE AND CHIEF FINANCIAL OFFICER**

The FY 2025 Operating and Capital Budget presented herein is a fiscally responsible plan that provides the necessary resources to achieve the University’s current goals and plans for the future. The budget reflects Stockton’s vision, mission, and most importantly, our commitment to our students. This budget is aligned with the goals of both the Strategic and Master Plans.

Several key fiscal challenges that were considered during the development of the FY 2025 Operating and Capital Budget, include:

- Pressure to maintain or increase enrollment despite regional demographics,
- Commitment to provide an affordable and accessible education,
- Demand for additional institutional scholarships,
- Uncertainty related to the economic climate, and
- Salary and wage increases negotiated by the State.

Despite these budgetary challenges, the University remains committed to balancing the fiscal needs of academic programs, capital and facilities, technology infrastructure, human capital, debt and expenses, student programs and services, and operations while keeping tuition affordable.

I want to thank the Stockton community for its valuable input and commitment to this year’s budget development process. I look forward to continuing this important work together to ensure the University’s current and long-term financial sustainability.
