RELATED EXPERIENCE

Place of Employment (Or club name, military branch, title of research, etc.)

Town, State

Position Title (Example - Cashier, Intern, Researcher, President, etc.)

Month, Year – Month, Year

- The Related Experience section makes up the bulk of a resume and should include any paid or unpaid experiences that are related to the career field of interest. Refer to the back of this page for optional experiences one may include in this section.
- Multiple Experience sections may be added depending on space. For example: Related Experience and Leadership Experience, Marketing Experience and Volunteer Experience, etc.
- Each position should be in the order of most recent first. Each position should include about 2-5 descriptions/bullet points that describe the responsibilities/duties and what was learned from this experience.
- Begin every description/bullet point with a past or present action word.
- If you do not have any related experiences to include, refer to the Work History section below.

Name of Class

Town, State

Class Project Title (or) Service Learning Project

Month, Year

- A related class project or service learning project can also be included in the Related Experience section to supplement a lack of related experience.
- List 2-3 descriptions explaining the project, any time commitments, presentations, etc.

WORK HISTORY
