

Welcome to the Fall semester! As a student enrolled in the Teacher Education Program, you are receiving this email update from the School of Education to provide you with news about several upcoming events during these first few weeks of the term – and some job opportunities.

**== New Jersey Student Education Association (NJSEA) ==**

In her [article for the NJEA Review](#) last spring, Stockton pre-service chapter president Marissa Realdine reminds us all that “Although teaching is one of the hardest jobs, it is the most rewarding.” Her article lays out some ways to keep ourselves healthy and helpful to our students, and one of these is to smile or laugh, whenever you can. What better ways to smile and laugh than while meeting fellow future teachers? We may be online, but Marissa has a whole set of opportunities lined up for you to connect, starting next week:

September 22nd-24th 11:00am-2:00pm - Get Involved Fair. We will be answering questions and playing games, including a gift card giveaway. Email Marissa at [realdinm@go.stockton.edu](mailto:realdinm@go.stockton.edu)

September 29th 4:30pm - Our first Preservice meeting via Zoom! Marissa will send you a meeting link as we get closer to the event.

September 29th and 30th 7:00pm - Preservice Preview hosted by the state-level NJEA Preservice chapter. This is for ANYONE - including non-members - to learn about the benefits of Preservice. There will be lots of giveaways!!

It's time to renew membership if you haven't already – click [here](#) to continue receiving benefits.

All members of the Stockton community are welcome to hear the featured speaker for the 2020 Freshman Convocation on Thursday, September 24, at 4:30 pm in Zoom. Please register for this free event [here](#). You will receive the link for the event via email.

**== ETS Testing Update ==**

For those of you already scheduling Praxis tests, please note that you will no longer have to list the Department of Education or other agency as one of your four free score recipients – if your address is in New Jersey, the NJDOE will automatically receive a copy.

Not sure when you need to take the Praxis? Visit our [How the Education Program Works](#) page for a quick overview and click on each Clinical Semester to see deadlines that come before each milestone. And of course, you can always click on Degree Works in your portal to see your Education preceptor's name listed on the top, right. Contact information for them is [here](#).
