

Educational Effectiveness Plan
Faculty Senate Presentation
December 10, 2021

Academic Assessment Teams

Program Assessment Teams (PATs)

- Develop program-specific assessment plans
- Manage programmatic assessment, including data collection
- Provide assessment data to Program Chair for reporting purposes
- Review and communicate feedback received from ART

Assessment Review Team (ART)

- Develops and applies a rubric for evaluating annual reports and PPRs
- Assists PATs and other faculty in report writing
- Provides feedback on assessments and reports

Educational Planning & Assessment Team (EPAT)

- Explores assessment strategies
- Reviews plans and templates for assessment
- Evaluates applications for assessment funds
- Participates in “close-the-loop” meetings
- Guides action plans and continuous improvement processes
