

Higher Education Emergency Relief Fund II Report, June 30, 2021

Section 314(d)(5) of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) requires that an institution receiving funding under section 314(a)(1) provide the same amount of financial aid grants to students from the new CRRSAA funds that it was required or which it would have been required to provide under its original Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Student Aid Portion award.

Under the CRRSAA (a)(1) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

In accordance with the Notice of Public Posting Requirement of Grant Information for Higher Education Emergency Relief Fund (HEERF) Grantees published on May 13, 2021, each HEERF participating institution must post the following information on the institution's primary website.
