Degree Map: Public Health (BS/MPH) Bachelor of Science in Public Health/Master of Science in Public Health Community Health Education Concentration

School of Health Sciences | Stockton University HSC 215 | 609-652-4501

- This is a suggested plan of study for completion of this degree program. The **goal** of a Curriculum Worksheet is to ensure that students meet the graduation requirements in a timely manner.
- All students should speak with their preceptor about their academic programs. Students are advised to reference their **Degree Works** for information about their program's At-Some-Distance and Cognate courses.
- Transfer students may not need to take all courses in the plan; they should consult with their preceptor/ academic advisor.

ADDITIONAL INFORMATION

- FIRST (FRST). All newly admitted freshmen or transfer students with 15 or fewer credits are required to fulfill the University's first-year competency requirement. The requirement may be met by demonstrating competency on the placement tests, or by passing, with a grade of C or better, all FRST courses: FRST 1101 College Writing, 1002 Critical Thinking and Reading, and 1103 Quantitative Reasoning into which students have been placed. Students enrolled in FRST 1100 Developmental Mathematics must receive a grade of C or better, and then enroll in and receive a grade of C or better in FRST 1103 to demonstrate competency. Full-time students must register for all required FRST courses in their first semester. Depending on time to completion of competency requirements, some students may need additional time for degree completion. *Note-* certain FRST courses also meet the requirements of the General Studies course distribution categories.
- **General Studies.** Students must complete 48 credits of General Studies with the distribution requirement of: 8 GAH, 4 GEN, 4 GIS, 8 GNM, 8 GSS and 16 ASD (At Some Distance). See 2021-2022 Bulletin for more information.
- **W1/W2- Writing requirement.** Students are required to complete (C or better) four Writing intensive (WI/W2) courses. One W1 is required in the first year and an additional three W1 or W2 with one in the upper-level division (3000-level or higher). W1/W2 courses can be found in General Studies or Program/cognate courses depending on major.
- Q1/Q2- Quantitative Reasoning. Students are required to complete (C or Better) three Q1/Q2 courses. One Q1 in the freshman year and at least one Q2. Q1/Q2 courses may be found in General Studies or Program/cognate course depending on major.
- R1/R2- Race and Racism. Students are required to pass one (1) R1 and one (1) R2 courses. R1/R2 courses may be found in General Studies or Program/cognate courses depending on major.
- **Minor program.** Students may select a Minor program of study, in consultation with their preceptor. Minor courses would replace some of the ASD or Program/cognate courses in the Degree Map.
- The course, PUBH 5900 Applied Practice Experience (Internship), may be completed in any semester in which the student is eligible (having successfully completed 18 graduate credits); the options of fourth-year summer or fifth-year fall are provided in this Curriculum Worksheet as a planning aid.

Include Program specific notes

- 1. Make notations when a course is a fall or spring only classes.
- 2. Include suggested course sequence to be completed by graduation sample order.
- 3. Attributes and W/Qs float, so these can be distributed throughout the curriculum.
- 4. Multiple courses can fulfill an attribute and attributes are connected to a variety of courses in the curriculum, consult with an advisor.
- 5. Attributes are not additional course(s) they connect to a course and can be taken in any order except for the first-year requirements.
- 6. Indicate Program Research or Internship courses and/study abroad options.
