Name: \_\_\_\_\_ Position: \_\_\_\_\_

Employee Start Date: \_\_\_\_\_ Department: \_\_\_\_\_

New employees are a tremendous asset to the Stockton University community. The University's employees are our most critical investment in achieving our vision, mission, and goals. Long term retention of any new employee starts at recruitment. Now that you have your new employee recruited with a planned start date, you want to foster their (and your) success. Use this checklist to ensure that you have all of the needed elements to help get your employee off to the best start possible.
