## MISSION STATEMENT

Revised and Adopted by the Board of Trustees in 2017

### ***Prologue***

Founded in 1969 as a public, four-year college within the New Jersey system of higher education, Stockton University offers more than 40 undergraduate degree programs as well as 14 advanced degree programs, seven educational endorsement programs, seven certificate and preparation programs, and a vast array of minors.

Stockton's 2,000-acre campus, situated in the Pinelands National Reserve, is New Jersey's largest university campus. The main campus is located in Galloway, and satellite centers are located in Atlantic City, Hammonton, Manahawkin and Woodbine. Approximately 2,927 students reside in University housing, including in the apartment complexes, residence halls, affiliated properties and at Stockton Seaview Hotel & Golf Club.

### ***Mission***

Stockton University's mission is to develop engaged and effective citizens with a commitment to life-long learning and the capacity to adapt to change in a multi-cultural, interdependent world. As a public university, Stockton provides an environment for excellence to a diverse student body, including those from underrepresented populations, through an interdisciplinary approach to liberal arts, sciences and professional education.

### ***Vision***

Stockton University will thrive as a distinctive regional institution, providing a diverse, values-based, student-centered environment of exceptional teaching and learning. As a community builder and partner in public service, Stockton University will remain committed to the positive development of New Jersey through scholarship and creative activity, civic engagement, and active stewardship.

### ***Guiding Principle***

Students first; vision and strategy follow.

### ***Values***

Stockton University embraces a collection of shared values, the essence of our standards for excellence. These values support our mission and guide our practices and behavioral expectations. We adhere to the values of:

#### **Excellence in teaching and dedication to learning**

Stockton University is committed to providing a high quality, innovative education that gives our students, including those underrepresented populations, the breadth and depth they need to succeed in their lives beyond college. Our faculty and staff recognize a responsibility to engage our students in the development of ideas across and within disciplines, both inside and outside the classroom. We strive to enhance the student learning experience, by utilizing proven pedagogical methods, research, creative activity, and advancements in technology, which support the promotion of life-long learning.

#### **Inclusivity and Diversity**

Stockton University is committed to building a community that values differences of race, religion, gender, ethnicity, national origin, socio-economic status, affectional or sexual orientation, gender identity or expression, marital status, age, ability or disability. We accept our responsibility to create and preserve an environment that is free from prejudice and discrimination, and to take actions that affirm our commitment to inclusivity and diversity.

### **Academic Freedom**

The University promotes an open exchange of ideas in a setting that embodies the values of academic freedom, responsibility, integrity and cooperation. Recognizing and understanding the significance of our similarities and differences will ultimately foster appreciation and respect for others, and enrich the individual, the campus and the community at large.

### **Integrity and Respect**

Stockton University is committed to integrity, honesty, dignity, civility, openness, respect, and accountability in its actions as well as in the means through which all members of its community communicate among themselves and with the wider world.

### **Shared Governance**

Stockton University is committed to shared governance, defined as an integrated planning process and a collaborative culture in which Stockton's constituents commit themselves to being partners in accomplishing the University's mission. It functions through a structure that fosters active collaboration, transparency, accountability, understanding, and acceptance of compromise, mutual respect and trust.

### **Community Engagement and Civic Responsibility**

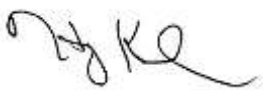

Stockton University is committed to the positive development of southern New Jersey. Through research, teaching, and community partnerships and service, the University actively seeks to address social and economic issues critical to our state, region, and nation and to contribute to the public good.

### **Global Perspectives**

Recognizing its place in an increasingly global economy and society, Stockton University is committed to providing students, faculty, and staff with exposure to diverse cultural perspectives. Stockton seeks to create and sustain the global awareness and understanding necessary for their meaningful participation in the world as independent critical thinkers and informed and prepared global citizens.

### **Sustainability and Environmental Stewardship**

The University seeks to promote an ethic of resource conservation, sustainability, and social justice on our campuses and throughout the region in its strategic planning and operations as well as its teaching, research, and service. Stockton embraces the obligation of stewardship this environment demands.

**A. Accreditation Status**

**1. Institutional Accreditation**

In June 2012, the Commission on Higher Education Middle States Association of Colleges and Schools (CHE/MSA) reaffirmed full accreditation for Stockton. In addition, Stockton received two commendations for its progress to date and the excellent quality of its self-study process. Stockton received exceptionally high marks in all categories, including quality of teaching and learning outcomes, faculty accomplishment and student services. The University is not required to send any progress or monitoring report during its reaccreditation term. In recent years, Stockton is one of the few NJ institutions in their self-study processes that resulted in such distinctive designation. The evaluation team's report confirms the University's superior performance and acknowledges the fulfillment of its mission to maintain an environment for excellence for New Jersey students.

The University submitted its Periodic Review Report to MSCHE in May 2017 and is expected to receive an official response later this year.

**2. Professional Accreditation & Certification**

- Association to Advance Collegiate Schools of Business (AACSB)
- Council on Social Work Education
- Council for the Accreditation of Education Preparation (CAEP)
- National Association of State Directors of Teacher Education and Certification with the approval by New Jersey Department of Education
- Commission on Collegiate Nursing Education (CCNE) and the New Jersey Board of Nursing
- American Physical Therapy Association (APTA)
- National Environmental Health Sciences and Protection Accreditation Council
- Academy of Criminal Justice Sciences
- Association of University Programs in Health Administration
- Accreditation Council for Occupational Therapy Education (ACOTE), and the American Occupational Therapy Association (AOTA)
- Council on Academic Accreditation in Audiology and Speech-Language Pathology

## C. Characteristics of Undergraduate Students

### 1. Mean Math, Verbal and Writing SAT Scores, Fall 2016

The guidelines of accountability reporting require that institutions report SAT data in two ways; by admit status and for all three admit types combined. In this regard, the mean SAT score (Math and Verbal) for regular admits was 1114, for special admits 910, and for EOF admits 945. Total SAT scores for all admit types combined were 1082.

## Community Engagement and Service Learning.

Below are representative examples of community engagement and service learning at Stockton.

### **Community Engagement - Activity Report**

- The Stockton Center for Community Engagement (SCCE) redesigned its website, distributed two online newsletters providing an update of activities, and drafted a substantial annual report. SCCE continued to draw on community and institutional knowledge to facilitate connections between students, faculty, and community needs in mutually beneficial ways. SCCE launched and continued numerous projects including Stockton's Food Drive, the Homework Completion Program at Stanley S. Holmes Village and Buzby Homes Village in Atlantic City, Naturalization Classes, an English Learner's Program, and Afternoon Tea and Game Day programs with older adults in Atlantic City and Pleasantville. SCCE also cosponsored community policing workshop on understanding Adverse Childhood Experiences (ACEs) and the impact of accents in criminality and racial profiling for the Atlantic City and Pleasantville Police Departments. Furthermore, SCCE continued successfully to maintain the Campus Kitchen at Atlantic City.
- The SCCE worked with 245 student volunteers this year, served 2,347 Campus Kitchen meals, tutored 189 students in Atlantic City, helped 3 people become naturalized American citizens, and collected 1,412 pounds of food for the New Day Family Success Center in Galloway.
- The SCCE Faculty Fellows and Student Fellows programs continued to bolster the Center's community-outreach initiatives this year. Professor Tara Luke from the Biology Program, engaged in many activities as the Faculty Fellow during AY 2016-2017. For example, Professor Luke held the Sea Perch Kick-Off at the Atlantic City Aquarium, conducted Marine Science presentations at St. Vincent de Paul Regional School in Mays Landing, at Stanley Holmes Village, and at Buzby Homes in Atlantic City. She also hosted two *Dive into Community Engagement* informational sessions for students, faculty, and staff where community members attended and spoke about the importance of Dr. Luke's work in the community. She also hosted an Extreme Science experience for 60 children from the Winslow Township School District in March and 12 explorers from the Atlantic City Police Athletic League in June. These events were in collaboration with NAMS Faculty and staff. The Offices of Equal Opportunity Fund, Admissions, Financial Aid, and Housing also participated in the Atlantic City Police Athletic League Explorers' day on campus. Dr. Luke will continue to be the Faculty Fellow through AY 2017-2018.

- SCCE expanded external and internal requests for assistance in community engagement. Several faculty, staff, and community members contacted the Center to facilitate community-related activities. Most of these requests led to new programming including hosting, *Foreclosure: What You Need to Know*. This workshop was presented to over 50 community members who wanted to learn what happens after someone receives a foreclosure notice. Panelists included Mitchell Moskowitz-Senior attorney from Legal Services, Sherriff Frank Balles, Irene Komandis and Kathryn Shubel from the Superior Clerk's office in Trenton-Foreclosure, and George Coan from the Civil Division. The event was video recorded and is available to watch on the SCCE website.
- SCCE Student Fellows play an essential role in the Center's initiatives and projects, as they lend continuity to the projects and lead general Stockton student volunteers, and meet the growing needs of the community. During AY 2016-2017, SCCE employed 14 Student Fellows, one of whom graduated and is now an Alumnus Fellow. During AY 2016-2017, these Fellows contributed to project coordination in Atlantic County including tutoring at the Homework Completion Programs at Stanley S. Holmes Village, Buzby Homes Village, and the Police Athletic League; facilitating and English Learner's program in Pleasantville and Northfield; teaching Naturalization Classes in Atlantic City, and managing meal preparation and delivery to families in need in the region; and continuing to help maintain a garden in collaboration with AtlantiCare at Hamilton Memorial United Methodist Church.

### **Service Learning**

The Office of Service-Learning continued to create sustainable and reciprocal relationships with students, faculty and community partners in an effort to work more efficiently and collectively for the greater good in AY 16-17. During the academic year, the Office of Service-Learning worked collaboratively with 123 community partners, 62 separate faculty and 96 academic courses. The representation of courses and faculty members offering service-learning includes all schools at Stockton and the largest student involvement can be found in the Schools of Arts and Humanities, Social and Behavioral Studies and General Studies.

During the fall and spring semesters, 2,196 students engaged in service-learning – equivalent to 1:8 students at Stockton. The number of hours students spent (36,275 hours) involved in service-learning work last year is equivalent to one million dollars' worth of paid employment to community agencies in our area (based on New Jersey's equivalent rate for volunteerism).

In a new relationship with the Bonner Foundation, the Office of Service Learning created the inaugural cohort of 20 Bonner Leaders, 7 of whom were New Jersey AmeriCorps members who each received a \$1,250.00 educational award upon completion of 300 hours of service (2,100 hours total).

The office hosted or co-hosted 5 "Days of Service," including the 13<sup>th</sup> Annual Fall and Dr. Martin Luther King, Jr., events, comprising over 1,500 volunteers and approximately 7,500 hours of service. Additional programs that support the service-learning pedagogy continued, including 17 Dialogue Programs, 2 Faculty & Community Partner Reflection Sessions, 2 Faculty and Community Partner Off-campus Networking Tours (Atlantic City and Hammonton), The New York Times program to campus (over 15,800 copies read), \$3,000 in civic engagement "micro-grants" co-sponsored by Alumni Affairs, and the Activist In Residence Program which served 3,600 cups of coffee at the student organized "Hopeful Grounds" pop-up café at the Atlantic City Rescue Mission. ## I. Major Capital Projects (June 2016 – July 2017)

### **Atlantic City Gateway Campus**

Construction of the new Atlantic City Gateway Campus is underway. The project consists of a 56,400sf Academic Building, 216,925sf Residential Building containing 533 beds, and a 335,684sf Parking Garage with capacity for 876 vehicles. All three facilities are being constructed with sustainable materials, while maintaining high energy efficiency to withstand the conditions of the coastal environment. Although each building has a unique completion date, all 3 facilities will be complete by July 2018.

### **Parking Lot 8 (aka: Pomona Parking Lot)**

The university added 500 parking spaces to the main Galloway campus in the Barlow Field area off Pomona Road. Within the project is the addition of 22 accessible parking spaces and the reconstruction of Delaware Avenue, which contains pedestrian ramps and walkways that connect the academic complex to the athletic fields and parking lot. This project was completed in August 2016.

### **Unified Science Center 2 & Health Sciences Center (aka: New Academic Classroom Building)**

Construction of the two new buildings and the academic quadrangle began in May 2016. The two new buildings total approximately 92,000sf and together will provide additional classrooms, teaching and research labs, faculty offices, vivarium, physical therapy and a greenhouse. The University anticipates completion of the project in late fall 2017.

### **Housing 2 Heat Pump and Roof Top Unit Replacement**

Construction activities to replace heating, ventilation and air conditioning equipment in the residential housing 2 building began in May of 2016. This project was part of the Higher Education Capital Improvement Fund from the State of New Jersey and greatly improved energy efficiency on the main Galloway campus. This project was completed in August 2016.

### **University Walk / Parking Lot 6 Renovations**

Re-Construction of the University Walk and Parking lot 6 began in May of 2017. This project will improve handicap accessibility, life safety and reduce approximately 10,000sf of impervious surface that will enhance the environment and provide additional green space to the Galloway Campus. This project will be completed in September 2017.

### **Housing 4 HVAC Upgrades**

Construction activities to upgrade the ventilation and air conditioning equipment in the eight residential housing 4 buildings began in May of 2017. This project will greatly improve energy efficiency and environmental conditions throughout each residential facility on the main Galloway Campus. This project will be completed in September 2017.

### **Interior & Exterior Renovations to the Arts & Sciences Building**

Construction activities to upgrade the heating, ventilation and air conditioning equipment as well as the exterior façade of the Arts & Sciences Building began in May of 2017. This project will greatly improve energy efficiency and environmental conditions throughout the facility and provide a much needed renovation to the exterior façade. This project will be completed in September 2017.
