Galloway, NJ – Stockton University, in collaboration with AtlantiCare Regional Medical Center and Rothman Institute, will host a Lunch & Learn session on “Treatment for Knee Pain” on **Wednesday, Dec. 2 from 12 p.m. – 1 p.m.**

The Lunch & Learn will be held at the Manahawkin Instructional Site, located at 712 E. Bay Ave., Manahawkin, N.J. The event is free and open to the public, and lunch will be provided. To register, call the Manahawkin Instructional Site at 609-626-3883.

Dr. Fabio Orozco, a board certified hip and knee surgeon at Rothman Institute, will present an interactive seminar on the treatments for knee pain.

Dr. Orozco also serves as associate professor of Orthopaedic Surgery at Thomas Jefferson University Hospital.

He specializes in direct anterior total hip replacement and uses special techniques, such as computer navigation for total knee replacement.

Dr. Orozco was recently selected as one of the Delaware Valley's Most Influential Latinos of 2015.

He received an M.D. from the Columbia School of Medicine. He completed his residency in orthopaedic surgery at Thomas Jefferson University Hospital, and a fellowship in adult reconstruction at Rothman Institute.
