Galloway Township, NJ – The Wilmington VA Medical Center's Mobile Outreach Clinic will be available on campus at The Richard Stockton College of New Jersey on a monthly basis during the academic year. The first monthly date will be **Tuesday, Oct. 29** from 10 a.m. to 2:30 p.m.

The mobile unit, which will be parked on the D-F Plaza on the main campus in Galloway, will be offering the following services to veterans:

- Primary care services including history and physicals, management of acute and chronic illnesses, women's health and patient education
- Ancillary services including immunizations (including flu and pneumonia vaccines) and lab services
- A social worker will be available for assistance with eligibility/enrollment, mental health referrals and identification of resources available to veterans.

The next scheduled visit for the mobile clinic will be Tuesday, Nov. 19 from 10 a.m. to 2:30 p.m. in the same location.

For more information, please contact Patrick Shields, coordinator of Stockton's Office of Veteran Affairs, at Patrick.Shields@stockton.edu or (609) 652-4987.
