**Galloway Township, NJ-** The Richard Stockton College of New Jersey will host their annual Spring Blood Drive on April 27-28, 2009 from 9 a.m. to 3 p.m. in the I-Wing Gymnasium located on the Galloway Twp. Campus. Parking for the event will be available in lot 4.

According to the American Red Cross, hospitals in the Penn-Jersey Region order 2000 blood products each day. Meeting that need while maintaining the ability to respond to an unexpected emergency is a constant challenge for the Red Cross. A five-day supply of all blood types is the optimal level. Currently, the O Negative blood type is below a one-day supply for our region.

Stockton is still accepting donors for this drive. Individuals interested in donating may register at [www.pleasegiveblood.org/donate](http://www.pleasegiveblood.org/donate) or by contacting Tara N. Ronda, Stockton's Blood Drive Coordinator, at [Tara.Ronda@stockton.edu](mailto:Tara.Ronda@stockton.edu). The sponsor code for this drive is 1011. For more information about the Spring Blood Drive please contact Ms. Ronda at the above e-mail address or 609-652-4256.
