STUDENT LEARNING OUTCOMES

- Make use of University support resources (i.e. Tutoring Center, Office of Career Education & Development, Office of Academic Advising, Wellness Center, Office of Student Development, etc.)
- Identify where to locate Student Success Services program requirements and activities and University policy and procedure information
- Describe areas of study at the University that support one's interests and professional goals
- Be able to identify and understand the roles of their preceptor and academic advisor
- Demonstrate academic engagement through regular attendance in their courses and meetings with Student Success Coach
- Exhibit effective Time Management skills by balancing academic work with other activities
- Demonstrate a commitment to serving our community through participation in one service opportunity each semester
- Be proficient in the use of Degree Works and in identifying the core requirements for their chosen program of study

STUDENT SUCCESS MENTOR ADVISING – DESCRIPTION

Student Success Coach Advising is one of the major key factors for success as a Stockton student and as a Student Success Services program participant. Your Student Success Coach will assist in guiding you through your degree program as well as provide information in making connections with other support offices throughout the University.

You are required to connect with your Student Success Coach prior to enrollment before each semester and meet at least once a month during the semester as depicted in your Student Success Services Statement of Commitment.

STUDENT SUCCESS MENTEE RESPONSIBILITIES

- Schedule regular appointments with your Success Coach each semester
- Arrive on time and prepare for advising appointments
- Be familiar with and understand Student Success Services program requirements
- Keep apprised of current graduation and program requirements
- Review the academic calendar and familiarize yourself with important deadlines such as dropping and withdrawing a course and its impact to your financial aid.
- Understand how to use Degree Works Evaluation and Tools in your GOSTockton portal and in accessing Stockton’s academic and student life resources and regularly check your Stockton email

STUDENT SUCCESS MENTOR RESPONSIBILITIES

- Understand University policies and procedures
- Communicate these policies and procedures to program participants including program requirements
- Be accessible via phone, email and for scheduled appointments
- Provide a safe environment in which to discuss student’s questions, concerns, thoughts and academic plans
- Help student get organized and better manage their time
- Help student develop their academic and career goals
- Help student become an autonomous learner and empower them to succeed

Reminders for Sophomores, Juniors and Seniors

Sophomores (32-63 credit hours)

- Begin researching internship opportunities
- Consider adding a minor or certificate to your program to complement your major and enhance your knowledge and skills base
- Undecided Students: Narrow your major possibilities
- Continue taking general education, elective and major classes
- Schedule an appointment with the Office of Career and Education Development and Office of Academic Advising
- Continue investigating study abroad options, make plans and note deadlines
- Consider professional organizations associated with your major

Juniors (64-95 credit hours)

- Apply for/complete an appropriate internship and/or participate in volunteer opportunities to gain professional experience
- Continue taking general education, elective and major classes
- Consider your long-term career goals and graduate school options
- Meet with a Career and Education Development and Office of Academic Advising advisors again to make sure you are on track
- Research graduate school admissions requirements
- Attend the Fall Career and Internship Fair and other Career and Education Development sponsored workshops
- Enroll a Study abroad course
- Review your program plan with your preceptor
- Know when you need to meet milestones such as portfolio review, senior seminar, etc.

Seniors (96 or more credit hours)

- Complete an internship
- Complete Global general education, elective and major classes
- Complete Senior Seminar (if applicable)
- Plan out your job search
- Prepare to take graduate school entrance exams (GRE, MCAT, LSAT, GMAT, etc.)
- Prepare letters of recommendation for graduate school and/or employment
- Refine your working resume/cover letter
- Complete graduate school applications
- Submit Petition to Graduate form at the beginning of your final semester
- Complete Steps to Graduation found on the Commencement website/Office of Student Development

Course Registration Guidelines

Login into your Portal. Under the Student Services Tab. Click Degree Works

1. Note your major _____
2. Note your Preceptor here

*First
Month at
Stockton*

3. Scroll down to the Writing Requirement
Are you registered for a W1 (Writing 1) Yes/NO
4. Look at the Q (Quantitative Reasoning- this means Math) Requirement
Are you registered for a Q1 (Math) Yes/NO?
5. View the General Studies Attributes- these are attributes attached to courses to make you a well-rounded person. Did you meet any of these your first semester? Yes/NO?

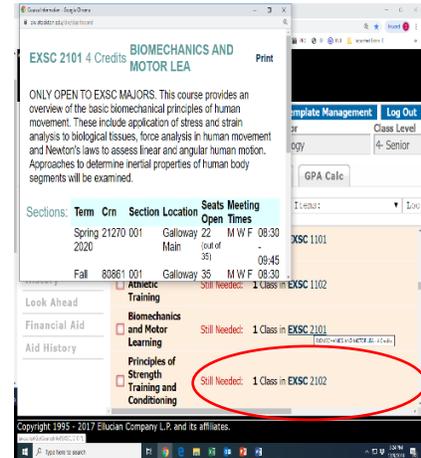

6. Go to the Stockton Home page and click on Contact Directory to enter your Preceptor's name and office number. Visit their office to find out their office hours/days and note them here _____

*Late
October for
Fall*

*March for
Spring*

1. Around Oct. 20th (March 20th in spring semester), go to your Degree Works Audit and begin to prepare for courses needed for the next semester.

2. Hover your mouse over the course names where you see open boxes. You will see the course name; click the name to see a box containing the prerequisite for the course, a description and sections offered for the following semester.

3. Begin planning your fall schedule by writing down classes you think you want to take.

4. Build a plan or even two plans by clicking New Enhanced Course Registration and then Plan ahead.

5. **Visit your preceptor** on one of the two preceptor days during the last week of October and first week of November, depending on when you register (in spring it is usually end of March + begging of April). Have your plan ready for discussion.

6. In your GO Portal Click Student Services Tab and under Student Tools, Click My Pre-Registration Time, to see your exact time to register. The time appears near the end of October and for spring near the end of March

7. Have your plans ready and write down backup courses

8. Never hesitate to WL (waitlist) for your desired classes but do register for four classes while you are waiting on an e-mail for an opening in a class for which you are waitlisted.

9. Register on time for classes

10. Waitlist for classes if needed, continue to watch your e-mail through the break for notification of an opening for a wait listed class.
11. SIDE NOTE: If you are trying to get into a CHEM / BIOL class with a lab. You must register for both the lecture and the lab at the same time. If all the labs are full, wait list for just the lab and when you get an e-mail of an opening go to the NAMS office (Unified Science Center room 240)
