

# THE WEAPONIZATION OF DISCOURSE

## ISRAEL/PALESTINE, ANTISEMITISM, AND FREE SPEECH ON CAMPUS

What role can a state-sponsored definition of antisemitism play, if any, in protecting Jews around the world?

**Kenneth S. Stern**, Director of the Bard Center for the Study of Hate, and **Joyce Ajlouny**, General Secretary of the American Friends Service Committee, will interrogate the potentials and limits of state-sponsored definitions, examining how they can become weaponized to shutter criticism of Israeli military occupation and hinder free speech on college campuses and beyond.

Free and open to the public.
