Galloway Township, NJ - The School of Graduate and Continuing Studies at The Richard Stockton College of New Jersey will offer an information session on **Wednesday, Nov. 19** to prospective students interested in a course in Advanced Pathophysiology to be held at Kramer Hall in Hammonton, NJ.

Pathophysiology relates to the functional changes that accompany a particular syndrome or disease. The course offers a way to begin a Master's in Nursing program, and will be offered on Wednesday evenings at Stockton's Kramer Hall instructional site beginning in January 2015. The course will include both online and face-to-face instruction.

The information session will be held on Nov. 19 from 4:30 - 5:30 p.m. in Room 207 at Kramer Hall, 30 Front Street in Hammonton.

For more details on the course and the information session, please visit stockton.edu/grad
