Make the most of your time with your student during the extended spring break

Looking Ahead

Make the most of your time with your student during the extended spring break:

1. Complete your FASFA. Click here for a step by step outline of the FASFA process. Students who want to be considered for State, Federal and institutional financial aid are required to file the 2020-2021 FAFSA application to receive financial aid for the 2020-2021 academic year. The deadline to submit is April 15th.

2. Apply for Stockton Scholarships. Applications are due March 25th and require a faculty letter of recommendation and short essay.

3. Make a healthy recipe.

4. Play a board game or put together a puzzle.

5. Garden. The Stockton Parent and Family Association is doing an online fundraiser. Click here to place an order for plants that will be delivered straight to your home. 50% of the funds raised will go to support future PFA programs.

6. Do an online exercise video. Things like yoga are a great way to relax and stay healthy. Online videos can be done right in the comfort of your own home.

7. Have your student create their Handshake account. https://stockton.joinhandshake.com/login Handshake is an online forum sponsored by the Stockton Career, Education, and Development Office to help connect students with jobs and internships.

8. File taxes. April 15th will be here before you know it!

9. Clean out your email inbox.

10. Have your student consider taking summer classes. Live, Learn & Earn!

11. Create a family book club. Have everyone read the same recreational book and discuss via the phone or online. Also check to see if your local library offers books to download online.

12. Send an email or a text to someone telling them why you appreciate them.

13. Make sure your student is registered to vote. Click here for NJ Voter Registration Forms.

14. Organize family photos.

15. Go for a walk, hike or a bike ride.

We cannot wait to have you and your students back on our beautiful campus soon!
